

# CSI MACHINE REBUILDING SERVICES

Expand and improve the performance and safety of your older winders, bag machines and separators. Whether you need a complete overhaul or just an upgrade, we offer several options to fit your needs and budget. For many years, CSI has been successfully rebuilding machines from Gloucester, Sano, J&C, CMD, Cooper, Samtech, Gamma, Black Clawson, Omal C.I., Autoplast and many others. Experience the benefits of having a "like new" machine for a fraction of the cost with online support and a new warranty. **Contact CSI at [sales@convertingsystems.com](mailto:sales@convertingsystems.com) or call 847.519.0232.**
